How to rename yourself to enhance interaction

- Click on Participants in the Zoom menu bar
- The participant list will open. Click on **More >** beside your name
- Select **Rename**, and change as follows:
- E.g., **John Doe (CA)(UNEP)**

Sub-region acronyms

(CA) = Central Asia

(EEC) = Eastern Europe & Caucasus

(SEET) = South-Eastern Europe & Turkey

The screenshot shows the Zoom interface. At the bottom, there is a toolbar with icons for Mute, Stop Video, Participants (with a red arrow pointing to it), Chat, Share Screen, Record, and Reactions. The Participants list is open, showing three participants: John Doe (CA)(UNEP) (Me), Darren Swanson (host)(IISD) (Host), and Leslie Paas (Co-host). A 'More >' button is next to John Doe's name. A 'Rename' dialog box is open over the list, with the text 'Enter a new screen name:' and a text field containing 'John Doe (CA)(UNEP)'. There is a checkbox for 'Remember my name for future meetings' and 'OK' and 'Cancel' buttons.

What is Mainstreaming in USDCF process?

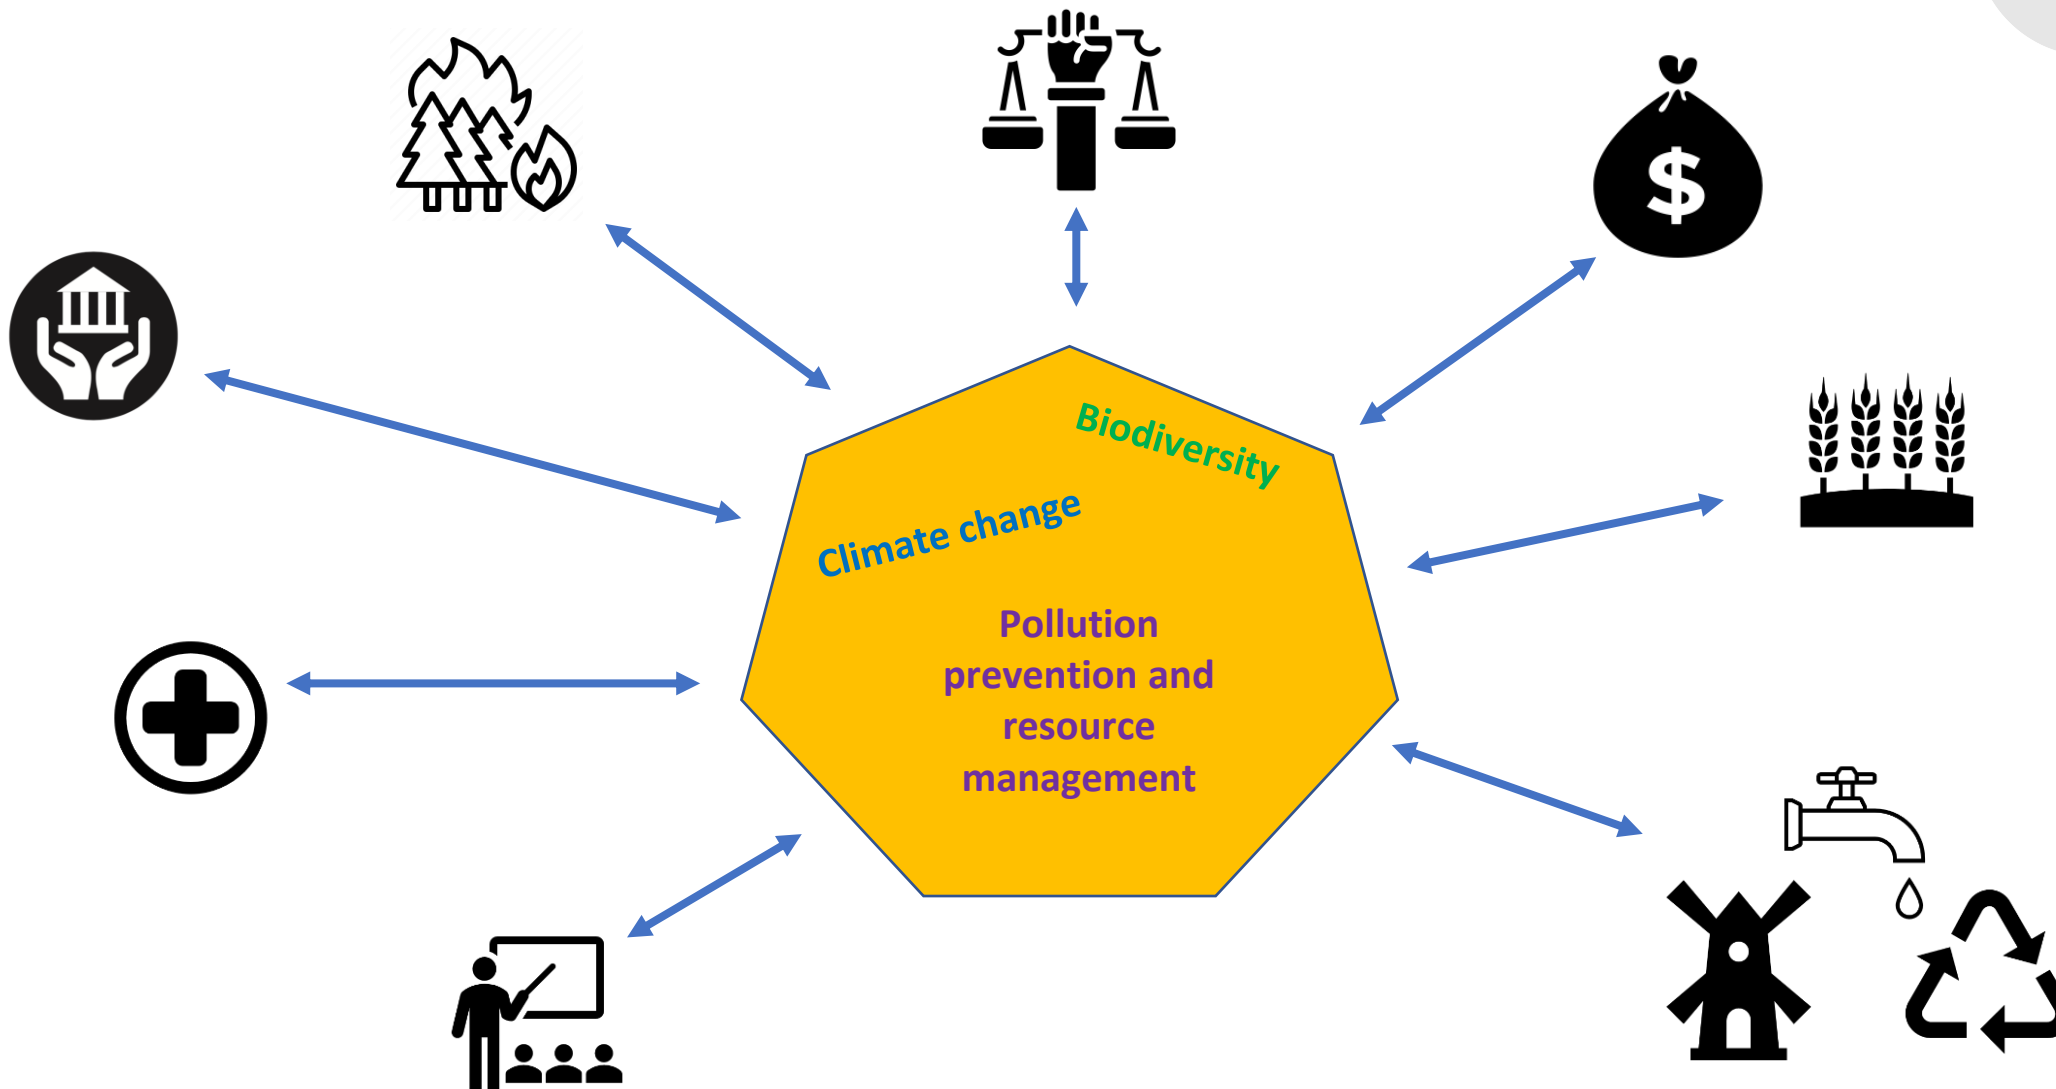

Expected results of Mainstreaming

1. Addressing the **environment and climate change risks and challenges**, which may jeopardize the success and overall impact of development goals and interventions
2. Preventing the **negative impacts of development interventions** on the environment and climate change
3. Enhancing positive environment- and climate change-related **benefits and opportunities of the development interventions** to support environmentally sustainable, low-emission, and resilient development
4. Identifying **indicators** for measuring the achievement of environmentally sustainable, low emission, and resilient development

UN Framework for Mainstreaming

Entry Points for Mainstreaming:

Country Framework Roadmap
