## Background

The UN Country Team (UNCT) and Resident Coordinator (RC) of Georgia has asked the Coalition for support “in conducting a UNCT training, ideally in-person, on the nexus of climate action and LNOB to enable UN entities working with vulnerable groups to assess who is particularly vulnerable to the effects of climate change and environmental degradation and how to help address these challenges.”

Representatives of FAO, ILO, OHCHR, UNDRR and UNICEF have kindly offered their time to deliver this webinar within the framework of the United Nations Inter-Agency Issue-Based Coalition (IBC) on Environment and Climate Change for Europe and Central Asia. The webinar will be recorded and made available to other UNCTs.

The IBC was established in March 2020. It consists of 18 members from the UN family: FAO, ILO, IOM, ITU, OHCHR, UN Habitat, UN Women, UNDP, UNDRR, UNECE, UNEP, UNESCO, UNFCCC, UNICEF, UNOPS, WFP, WHO and WMO.
