Background

The Education Results Group (represented by UNICEF) of Turkmenistan has asked the United Nations Inter-Agency Issue-Based Coalition (IBC) on Environment and Climate Change for Europe and Central Asia for support in two areas: “Expertise to develop adapted disability inclusive CCA and DRR materials”; and “Innovation solutions in the framework of ‘Green School’ strengthening resilience of the schoolchildren and adolescent of Turkmenistan towards climate change impacts”

Representatives of OHCHR, UNDP, UNDRR and UNICEF have kindly offered their time to deliver this webinar within the framework of the Coalition. UNESCO and UNECE will contribute regarding green schools. The webinar will be recorded and made available to other UNCTs.

The IBC was established in March 2020. It consists of 18 members from the UN family: FAO, ILO, IOM, ITU, OHCHR, UN Habitat, UN Women, UNDP, UNDRR, UNECE, UNEP, UNESCO, UNFCCC, UNICEF, UNOPS, WFP, WHO and WMO.
